

What does it mean to have complex mental health/addictions (MHA) needs? Help us find out

Are you one of the following?:

- A youth with MHA concerns, aged 13+
- A caregiver for a youth with MHA concerns

If so, you may be eligible to participate in a study exploring what it means to have complex MHA needs

What does the study involve?

Participate in 3 short, online surveys

Compensation will be provided.
