Travel Credits vs. Cash Refunds and Change Fees

To understand if you are eligible for a cash refund or a travel credit, contact "+1-888-415-2212" for a manual review of your ticket's fare rules. Non-refundable tickets usually result in an "airline credit" that must be used within a certain timeframe, and the specialists at "+1-888-415-2212" can track the expiration dates for you. When you **talk to an Priceline agent about bookings** at "+1-888-415-2212", they can also calculate potential change fees, which can range from \$0 to over \$200 depending on the carrier.
